Time Frame of Opportunity: Fall, Spring, & Summer Semesters

Hosting Organization: Sexual Assault Resource Center

Location: Sexual Assault Resource Center, Bryan, TX

Preceptor: Supervisor
Sexual Assault Resource Center

Contact Information: 979.731.1000

Hours: 20 hours weekly

Description: The practicum student will spearhead the Safer Bars Initiative-- a program started in 2015 and focused on sexual assault prevention education and intervention services in alcohol-serving businesses throughout Bryan/College Station area. The Safer Bars Initiative offers training and resources to local businesses and their employees to identify unsafe situations, intervene early, and prevent potential situations of violence and sexual assault amongst their patrons. The practicum student will identify businesses for participation and construct an action plan for contacting the identified businesses. The student will outreach their target alcohol-serving establishments for participation in Safer Bars Initiative. The student will update and modify existing training programs or develop a new training program from evidence-based research to educate employees of participating businesses. The student will develop educational and marketing material for the Safer Bar Initiative. The student will assist the Education and Outreach Department in performing trainings at local alcohol-serving establishments. The student will maintain detailed and accurate records of contacts and work agreements made.

Expectations:

1. Identifying potential participating business and construct action plan for contact.
2. Outreach alcohol-serving establishments to participate in Safer Bars training courses.
3. Update or develop new Safer Bars Initiative training program and educational materials.
4. Develop marketing materials for Safer Bars.
5. Assist Education and Outreach Department at Safer Bar Initiative trainings.
6. Maintain detailed and accurate records of contacts and work agreements made.

Products:

1. New or updated training program
2. Educational Materials
3. Marketing Materials
